Allotment of sites in Jayanagara and Sampige Halli Extensions to the Depressed class residents

Letter No. BDA/R 1364/55-6 dated 14-3-56 from the Chairman city of B'lore

Submitted:- 1) The chairman reports that with a view to facilitate the residents of Gangamachery to shift themselves immediately to Sampigehalli Layout steps are being taken to give them temporary possession of the sites allotted to them in Sampigehalli in lieu of their holdings in Gangamachery in anticipation of sanction of Govt. to the proposal sent in his report dated 28.12.55. He further requests that action taken by him may be approved.

2) The chairman's proposal sent with his letter No. Ag DA/R 1364/55-6 dated 28/2/56 are merged approved. He has been asked to forward particulars regarding the earlier cases mentioned. He has promised to send the report separately.

For orders as regards the action taken by the chairman BTS.

3) Inspite of instructions issued to the chairman to seek approval in respect of each area before giving full details, he has again sought orders as regards handing over possession of sites in the Sampigehalli layout to the people residing in the Gangamma chery area. The proposal in respect of this area is noted in para 4 of his earlier report dated 28/2/55. The proposal is to hand over possession of the sites temporarily after obtaining a certificate

from the L.A.O, Bangalore Corporation to the effect that they have handed over the possession of the acquired properties to the Corporation and on payment of initial deposit of Rs 50/- from the question as regards the allotment of sites to the residents of gavi-gavi-machery area (the cost being recovered in instalment basis) is not yet decided. It is for the Chairman to make arrangement to allot sites temporarily and to safeguard the interest of the Board in such manner as he considers best, after taking a Muchalika from the allottees. It is therefore for orders whether he may be informed accordingly and requested to send separate proposals on other areas.

Mr 27/2

13) This is a case in which the Trust Board Chairman has sent up resolution to grant sites to Harijans living in ~~two~~ localities i.e., (i) those who are residing in Gangammacherry area and (ii) those residing in Patalamma Temple.

14) Inrespect of those who are residing in Gangamma Cherry area 98 persons belonging to Depressed Classes have to be provided with sites. The Board has resolved that 98 sites be allotted to 98 persons as per list furnished by the Commissioner, Corporation of Bangalore and that the rate of Rs.9/- per square yard be charged. Flag 'G'

15) But, at this stage one important point has to be noted here. The Minister for Public Health and L.S.G. has passed orders in the file bearing D.No.7828/M1 as follows:-

"Most of the petitioners are poor Harijans who are

ALLOTMENT OF SITES IN JAYANAGAR AND SAMPIGEHALLI LAYOUT TO THE DEPRESSED CLASSES PEOPLE

quite unable to buy sites at Rs.10/- per square yard in Sampigehalli layout even if they are permitted to pay the site value in ten or even fifteen years. They have been repeatedly urging for reduction of the rate. Their request deserves sympathetic consideration. I would suggest that the displaced persons of Gangamma Cherry may be given sites in Sampegehalli layout at Rs.5/- per square yard as a special case. They may pay the site value in fifteen years in equal monthly instalments; interest at 5% may be charged. The displaced persons should shift to the newly allotted sites within a period of six months. The hut dwellers may be permitted to dismantle and take with them useful building materials free of cost."

(6) The Chief Minster has issued instructions to get some information. The information has been obtained and the file is submitted on 18-4-56 for orders.

(7) Therefore, no orders are necessary on this file regarding grant of sites to Gangamma cherri people.

(8) With regard to grant of sites to the hut dwellers in Jayanagar Extension, the Chairman has promised to send a report regarding extra cost involved. Remind the Chairman once a week and get a report early.

To

The Secretary to Government,
Local Self Government and Education Departments,
Bangalore.

Sir,

Subject:- Allotment of sites in Jayanagar and Sampigehalli Extensions to the Depressed Class Residents.

====

I write to state that there are four clusters of sheds belonging to the Depressed Class people in the several blocks of Jayanagar Extension. These are in existence from a long time and with a view to remove the congestion in these places and to improve the sanitary conditions of these localities, it was found necessary to realign the existing sites and allot them to these persons either in the same place or in a different place with the least amount of dislocation or disturbance to them.

2) Similarly the Commissioner, Corporation of Bangalore, has forwarded a list of 134 persons who are stated to have been dispossessed of their original holdings of sites and structures in Gangammacherry consequent on the acquisition of their lands by the Corporation for the improvement of the Town Hall area. On verification of these lists it is found that out of these 134 persons only 103 persons are actually living there being owners and will be displaced, the others being non-resident owners. Out of 103 persons, 98 persons were found on detailed verification to belong to Depressed Class Communities.

3) Since it was found that the question of accommodating these Depressed Class people living in several localities in Jayanagar and Gangammacherry had to be disposed of early, the

(2)

matter was placed before the Board for thei consideration on 7-12-55 with the lists of to be so provided. The Board after conside aspects of the case and the several concess will have to be allowed to these depressed people as per instructions received from Gov from time to time, resolved that sites might be to these people as per xxx lists and payment of the sital value and the rate should be regulated as per details furnished in the resolution. The Board has opined that the rate to be adopted for Jayanagar should be Rs.3/- per Sq.Yd. and this being the rate allowed for 38 Depressed Class residents that were given sites in with Block of Jayanagar as per Government Order No.L.3709/ITB.17-50-10 dated 6-7-50 and that the rate for Sampigehalli Extension should be Rs.9/- per Sq.Yd. (being the actual cost to be incurred to form this layout) and that this amount should be paid in monthly instalment of not less than Rs.10/- in each case.

4) As the Gangammacherry area has to be immediately cleared as also the other areas, they have resolved that they might be put in temporary possession of the sites after obtaining a certificate from the Land Acquisition Officer (Commissioner of the Corporation of the City - - of Bangalore) to the effect that they have handed over the possession of the acquired properties, on payment of Rxx Initial Deposit of Rs.50/-.

5) I request that early orders of Government may kindly be obtained to these proposals immediately.

6) A copy of the resolution is enclosed for kind reference.

Yours faithfully,

(B.V. Lankappa)
Chairman.

Subject No.309.

Allotment of sites in Jayanagar and Sampigehalli Extensions to the Depressed Class Residents.

The Chairman, explaining the subject in detail, said that there are some pockets in Blocks II and VI of Jayanagar Extension and in some other areas where depressed class people were still living in small huts and it was proposed to clear these small huts by allotting these people a few sites either in Block II, VI of Jayanagar and in Sampigehalli, at concession rates and on instalment basis, since these were generally poor and were unable to pay in one lump the entire value of the sites. He said tnat this would be only in accordance with G.O.No.L.F.10-11/ITB. 5-52-349 dated 15-5-1952. Besides there was also a precedent by which in

(Continued on next page 5)

(4)

in Block VI, about 38 sites had been allotted to the Depressed Class people at the rate of Rs.3/- per sq.yd. and he placed the entire file before the Board for their consideration. The three points that were considered were --

1. Grant of sites at concession rates to the Depressed Classes,

2. Recovery of the sital value in monthly instalments for a certain number of years as in the case of Depressed Class Persons in Anjanappa Gardens,

3. Empowering the Chairman to examine and allot sites to these people after scrutinising each case.

Sri D.R.Chennarudraiya said that the rate of Rs.3/- per sq.yd. referred to above in connection with the allotment of sites to the 38 Depressed Class people was not a concession rate but the prevailing rate then. He desired however that the relevant records be looked into in this behalf

Sri V.M.Mascarenhas was of the view that it would not sound well for the Government to say in one breath to pay back the advances given to the Trust Board with interest and in another breath to state that concessions might be extended to certain cases. He desired that all such cases where concessions had been extended by Government might be listed and placed before the Board and action be taken to address the Government to deduct such amounts from the advances due by the Board.

Dr.S.Seshagiri Rao also concurred with the views expressed by Sri V.M.Mascarenhas. A copy of the note placed before the Board is enclosed.

After some consideration it was resolved --

1. "(1) that 6 sites in Block VI of Jayanagar Extension, each measuring 40'x65' (viz., site Nos. 202, 203, 204, 211, 212 and 213) may be converted into 8 sites, each measuring 30'x65' and allotted to Sri Anniah and seven others as per details noted in the enclosure Statement "A";

(2) that 11 sites in Block VI of Jayanagar Extension, each measuring 40'x65' (viz., site Nos. 186 to 196) be converted into 16 sites, i.e., 8 sites of 30'x65' and 8 sites of 25'x65' and be allotted to 16 members, who were hitherto ~~xxxidxnxx~~ residing behind Vijaya College, as per details furnished (vide list "B"). These 16 members will thus be shifted to the above new sites;

(3) That the 72 families who are now residing by the side of Pattalamma Temple Road in Jayanagar Extension, who have not been allotted sites, may now be allotted 72 sites each measuring 20'x24' in the plot assigned for Harijan Colony in Block VI of Jayanagar Extension, as per details given in Statement "C" showing the names of persons and the site numbers allotted to them;

(4) That out of 38 families belonging to Depressed Classes now residing behind Vijaya College in Block II of Jayanagar, 16 families have already been provided as per clause (2) of the resolution supra (Statement "B"); the remaining 22 families

will be provided with sites in the same place by forming 22 sites as noted below:

(i) 8 sites of 15'x24' will be allotted to Sl.Nos 15 to 22 of the Statement "D", and

(ii) 14 sites of 30'x24' each be allotted to the remaining 14 persons as per the same Statement "D";

(5) That between 7th and 8th Main Roads and I and II Cross Roads in Block II of Jayanagar Extension, a fresh Cross Road (I-A Cross Road) be formed and the area on either side of this newly formed Cross Road, now covered by site Nos. 81 to 94, be formed into 40 small sites, each measuring 25'x37½' and 4 sites of 20'x37½' and be allotted to 42 hut-dwellers in this area as per details noted in Statement "E" and the remaining 2 sites are to be treated as adjusted sites to accommodate the existing house of Smt.Thirumalamma, who also belongs to Depressed Class Community.

(6) That 14 sites measuring 40'x60' bearing site Nos.67 to 80 be formed as per approved plan after the existing huts are vacated by the present hut-dwellers, who are provided with alternative sites as indicated in clause (5) above and that site No.76 and 80 be treated as adjusted sites in favour of Sri L.R.Krishnappa and Yennur Mathada Sri Jyothilinga Swamiji respectively and that as regards the remaining 12 sites the question of allotment of the 3 sites and of giving effect to the Government Order No.L.Ff10-11/ITB.5-52-349 dated 15-5-52 allotting 9 sites be brought before the Board for final disposal after the area is cleared of the existing huts.

II. In regard to the allotment of sites in SAMPIGEHALLI Layout to the Depressed Class people, it was resolved --

"That out of 159 sites ear-marked for allotment among the displaced persons of Old Gangamacherry area, as per the resolution No.170 of the Board dated 12th August 1955 and 14th August 1955, 98 sites be allotted to the 98 (ninety-eight) such persons belonging to the Depressed Class Community, as per list furnished by the Commissioner of the Corporation of the City of Bangalore, as per details given in the Statement "G" enclosed and that the question of disposal of the remaining sites to the other displaced depressed class persons of Gangamacherry area, if any, be brought before the Board, after further verification of the lists of such persons in consultation with the Commissioner, Corporation of the City of Bangalore

III. It was further resolved -- re: the concession and mode of vacancy of the sital value:

"That in pursuance of the instructions of Government conveyed through letter No.L.9812/ITB.48-55-2 dated 22-9-1952 from the Secretary to Government, Local Self Government Deptt., the persons belonging to the Depressed Classes who are provided with sites as above be shown the following concessions:

(6)

(1) That a rate of Rs.3/- per sq.yd. be charged for the sites allotted to the allottees in Jayanagar Extension only, as in the case of the allottees of sites mentioned in G.O.No.L.3709/ITB.17-50-10 dated 6-7-1950 pertaining to the allotments made in Anjanappa Gardens layout, and that a rate of Rs.9/- per sq.yd. (which is the actual cost of the layout per sq.yd.) be charged only in respect of the allottees in Sampigehalli Extension;

(2) That the site value be recovered in monthly instalments, of not less than Rs.10/- per month;

(3) That in every case where the initial deposit towards site value of not less than Rs.50/- is received, the party may be put in possession of the site subject to the condition that in case of non-payment of the full sital value or any balance part thereof within the stipulated time, the site or sites so allotted be resumed to the Board;

(4) That the present allottees should not alienate without the express permission of the Board the said sites for a period of 10 years.

II. In respect of sites allotted to persons (non-depressed class people vide Statement "E") in Block II between I Cross and II Roads referred to in clause I (5) above a rate of Rs.6/- per sq.yd. shall be charged.

It was further resolved --

"That the Chairman be empowered to take necessary further action to give effect to the above resolution."
